HIGHLIGHTS!

What a fantastic start to the season we have had! NTJFC would like to wish a very warm welcome to all of the new players that have joined the club! We're so excited to be part of your grassroots journey! There has been so much going on already, but here's a few shout outs to celebrate:

- We have seen 4 teams either newly form or join us this season! In age groups U7, U12 and U13.
- A brilliant first 1/3 of the season for **Under 16 girls**, they are unbeaten so far, sit 2nd in the league and are through to the semi-finals of the league AND county cup! The girls have put so much effort in over previous seasons to get closer to the top teams. Time now to show consistency, keep dreaming and working hard!
- **U10 Whites** - after the amalgamation of two teams meant a jump from Orange to Green Div for most players, this could have proven a step too far. But but each week they all have shown that they are more than up for the challenge. Well done!

CLUB UPDATES

- 
- ✓ On behalf of the committee we would like to recognise our coaches and assistants for everything they do. Without them dedicating their time to plan, coach and care for our players we would have no club. Thank you!
 - ✓ Check out the Whatsapp Community Announcements for the recently shared committee structure, Grassroots Code, new Complaints Policy and 24 Hr Rule
 - ✓ The Introduction of Veo - This season NTJFC coaches have been given access to two Veo Head Units to share between all teams Under 12 and above, on a rota basis. Veo is an amazing facility which let's you rewatch the game and be able to revisit elements of play. This is a fantastic addition to the club, which will help with our juniors' development and understanding of the beautiful game.

- We have held our first player's committee meeting of the season with our new members, with over 40 attending across all age groups. Every single one of them contributed brilliant ideas and suggestions during our activities and discussions around what they would like to see happen in their club.
- We raised awareness for World Mental Health Day on 10th October by training throughout the week in all things yellow - thank you to everyone for getting involved!
- We supported Play Safe Weekend on 28/29th September. Remember safeguarding is everyone's responsibility. Complete the free training for parents / guardians [here](#)

FUNDRAISING SUCCESS!

- NTJFC were lucky enough to be selected for Tesco's Community Book Sale in September. Thank you to everyone who either took along their used books, or donated to purchase their next read. We raised a whopping £843.64, which is a massive boost for our club!

We also have a big THANK YOU to say to a couple of other kind supporters of the club:

- Northallerton Town Council have donated a fantastic £500 to assist with purchasing more training equipment for our new teams starting this season, and replenishments for our existing squads!
- We sought some support from The Jack Brunton Charitable Trust over the summer, who generously donated a huge £2k to help us with our expansion in to the new pitches at Broomfield Park!

Without these incredible gestures, we simply wouldn't be able to keep growing our fabulous club!
