Investing in our future!!

Helping Juniors become Senior players!

We are very excited to be launching our first step in to senior league football! Our new Under 23 squad is looking to kick off for the 26/27 season, providing an achievable pathway for our junior players in to the open age game and a real step towards more competitive levels. If you, or anyone you know, are interested, get in touch at ntjfc@outlook.com to arrange coming along to training.

Our first Young Coaches qualify!

June saw the conclusion of our initial stage of the first ever Young Coaches Programme for NTJFC. We have met for 5 weeks with 9 brilliant Junior players, now taking on the next chapter in their football story, leading from the sidelines to help some younger teams in the club. All 9 have completed their EE Playmaker online coaching course, in interactive theory and practical sessions. We're really proud of you all, it's been fun and a great pleasure to work with you all this last few weeks, thank you. Well done Imogen, Izzy, Bobby, Ethan, Hayden, Will, Kyle, Archie and Joshua

'CAUGHT SHORT' CAMPAIGN

NTJFC are incredibly proud of how many young ladies we have playing football through the club now - almost a quarter of our players and growing!! 😊

We want to do our best to help our girls feel comfortable and confident in the sport, alleviating any worries about being 'caught short' by their period whilst training or on a match day. So all coaches with girls in their team will now have essential period products with them during training and match days.

These discreet little black bags can be found in our first aid bags to be easily accessed if required. For more helpful info to understand female health in the sport visit this great [England Football site](#).

In June we held the last **Player Committee meeting** of the season. The players reflected on Presentation Day, discussing what went well, what ideas from previous meetings they had seen introduced, and what improvements they would like to see in the future. Many highlighted the new Club Values Award as a great addition, while the chance to soak the coaches was also a firm favourite! The players finished the evening by writing thank you letters to some of the people and organisations who support our club and by sharing their highlights from the football season.

CELEBRATING SUCCESS!

NTJFC saw 7 teams in total reach the finals of their League or Challenge Cup competitions! A huge well done to our U12W, U13R and U10 Girls for bringing home the silverware! And very special mentions to the U10R, U9 Girls, U14 Girls and U14R for reaching that incredible milestone!

The U9W, U10 Girls and U13W have had the pleasure of attending the **TJFA End of Season Awards night**.

Several teams have been enjoying their pre-season summer campaign of **tournaments** already, including the U7 Boys and U9 Girls, who both came away runners up and the U9Ws crowned winners! Well done everyone!

We celebrated another fabulous **Presentation Day** on 7th June, recognising lots of wonderful players and volunteers within the club and everything they have brought in the 25/26 season. We hope everyone enjoyed their day, you still have a few days left to let us know what you thought [here](#). A huge thank you to our sponsors of the day - Microchef catering, Meow Meow Beans, Northallerton BID, Scanlan Insurance, Sam Turner & Sons, Where2Print and Istanbul Barbers!
